<u>Product</u>	<u>Stock/ M. T. O.</u>	<u>Description</u>	<u>Available in:</u>
Anti-freeze Supreme		Pellox Anti-freeze Supreme which has an advanced inhibitor package. It cleans and protects against corrosion, freezing and boiling. Red in colour.	5L, 25L
Battery Cleaner		Pellox Battery Cleaner and acid neutralizer can be used in all areas where batteries have leaked, in order to neutralize the acid and stop the damaging effects of the acid on the surrounding materials.	400ml Aerosol 25L

Battery Terminal Sealer		Pellox Battery Sealer provides a thin' durable film giving effective protection against corrosion build-up on batteries. Pellox Battery Sealer is a non-greasy, dry film which will protect the battery terminals. Available in red, blue and green.	400ml Aerosol
Blitz Start		Pellox Blitz Start engine-starter aids in instantly starting of all engines in very cold conditions, it displaces moisture and it prolongs battery life with upper cylinder lubrication additive.	400ml aerosol
Boost Brake and Clutch Cleaner		Pellox Boost Brake and Clutch Cleaner will help to remove excess dust from brake pads and clutches. It removes grease and grime, and cleans electrical components prior to assembly and cleans metals, ceramic and glass components prior to bonding and additionally reduces pollution.	400ml aerosol/ 25L liquid

Boost Carb Service		Pellox Boost Carburetor Service will help to clean the exterior of a carburetor, clean the butterfly and venturi of carburetor, clean jets of the carburetor. It dissolves gums and varnishes in fuel system, and boost power and performance while cleaning the entire intake system.	400ml aerosol
Boost Compression Stabiliser		Pellox Compression Stabiliser will remove gum and varnish deposits from induction systems, clean inlet valves and combustion chambers (improves air flow) and will free sticky rings and valves to restore lost compression. Improved performance and fuel consumption is guaranteed.	400ml/5L
Boost Copper Spray		Pellox Boost Copper Spray is an Extreme Pressure Compound for nuts, studs, thread fittings, bolts, conveyers, gear reducers, cylinder head assemblies, air cylinder assemblies, exhaust manifold fittings, etc.	400ml aerosol

Boost Drilling and Tapping Spray		Pellox Boost Drilling and Tapping Spray will help to reduce tool breakage, reduce galling, eliminate frictional heat, increase tool life, give a high-quality finish and reduce costly down time. It can be used for drilling, turning, threading, milling, boring, sawing, reaming, etc. It is suitable for both ferrous and non-ferrous metals and has been used successfully on plastic machining.	400ml aerosol
Boost Penetrating Oil		Pellox Boost Penetrating Oil cuts through corrosion on belts, screws, pipe fittings, shafts and all rusted fastenings and fittings. Boost has multiple uses in the home and garden.	400ml aerosol
Boost Shackle Spray		Pellox Boost Shackle Spray will assist in lubricating and sealing, reducing squeaking, removing moisture and protecting compounds.	400ml aerosol

Boost Super Silicone		Pellox Boost Super Silicone is a superior silicone oil with many uses. Silicone will lubricate at extremely low and high temperatures and will resist water. Super Silicone is an ideal clean lubricant for curtain tracks, wooden or plastic drawer runners, car doors' locks and hinges. Excellent as dashboard spray. Super Silicone is used in industry as a mold-release for plastics, an anti-splatter agent for welders and a waterproofing agent for electrical equipment.	400ml aerosol
Car Wash and Wax		Pellox Car Wash and Wax is a highly concentrated liquid detergent for use by hand and automatic car washing machines. It is completely biodegradable. It contains a special foam booster which provides maximum suds when sprayed onto motor car body work. There is no danger of streaking, even in the sun. It washes and waxes in one easy step.	500ml/ 5L/ 25L
Car Polish	OUT OF STOCK	Pellox Car Polish will protect all car finishes from deterioration, reduce rusting and oxidation, leave a protective coating and revitalize old paintwork. Clean and beautify in one easy application.	400ml/ 5L/25L
Car shampoo		Pellox Car Wash & Wax Shampoo is a superior detergent for cleaning cars and other vehicles. It is suitable for hand wash and automatic cleaners. Car Wash & Wax Shampoo is fully bio-degradable.	5L/25L

Dashboard Polish		Pellox Dashboard Polish is a silicone with a pleasant fragrance, that cleans, shines, and protects plastic surfaces.	300ml/ 225ml Aerosol
Dash & Tyre Shine Cream		Tyre Cream is a Silicone without a fragrance and is designed to give a fast shine to all rubber & plastic components of motor vehicles, especially the tyres. (It does not give a wet look.)	5L, 25L
Diesel system service		Pellox Diesel System Service will assist in cleaning the entire fuel system including the injector area and burner nozzles. It minimizes exhaust smoke, lubricates upper cylinder area and prevents corrosion and fuel oxidation.	325ml liquid

Engine cleaner		Pellox Engine Cleaner/Water-based Degreaser is a concentrated alkaline liquid cleaning compound containing synthetic detergents and organic solvents. It is a non-flammable medium duty water-based detergent/degreaser. It is intended for the cleaning of painted and unpainted surfaces, plastic surfaces and of equipment walls and floors that are soiled with oil, grease, and similar soils.	500ml/ 5L/ 25L
Fuel system service		Pellox Fuel System Service is specially formulated to clean contaminated fuel systems. It is suitable for petrol and diesel systems. It absorbs and removes water from fuel tanks and lines. It dissolves and prevents wax, gum and varnish deposits in the fuel tank and lines. It helps to decarbonize combustion chambers and injectors. It prevents and kills fungal and microbial growth. It burns off completely and harmlessly and it contains no hydrocarbons or corrosive ingredients.	325ml liquid
Hand Cleaner with Grit		Pellox Hand Cleaner with Grit is a brown gel-form, waterless hand cleaner with an abrasive for easy and effective cleaning of grease, ink and general workshop grime from your hands.	1kg/ 5kg/ 20kg (500g on request)

Motor flush		Pellox Motor Flush will remove sludge and contaminants helping to lubricate all moving parts. It helps clean and free piston rings, valves, lifters, and lash adjusters within minutes. It helps reduce new oil contamination. Protects the engine during flushing with powerful anti-friction chemicals and, therefore extends life considerably. Suitable for petrol and diesel systems.	325ml liquid
Penetration Oil / AT 112		Pellox Penetration Oil is a blend of solvents, corrosion inhibitors and an oil petroleum-based solvent. It acts quickly to free rusty threads on studs, nuts, and bolts. Pellox Penetration Oil contains coating agents and water release additives that bead up water films, causing them to drop off or evaporate away, leaving an oily protective layer that gives efficient indoor corrosion protection and insulation from the elements.	225ml/400ml Aerosol /5L/ 25L 5L/25L
Radiator Flush		Pellox Radiator Flush helps removes rust, sludge and scale deposits. Helps lubricate water pumps and assists in the cleaning of the entire cooling system. It is harmless to metal, rubber, and water pump seals.	325ml liquid or 5L/25L

Radiator stop leak		Pellox Boost Radiator Stop Leak will help to stop cooling system leaks, lubricate water pumps, and stop dangerous glycol seepage into cooling systems.	325ml liquid
Tyre Clean & Shine		Tyre Shine is a solvent based dashboard & tyre cleaner, will leave a beautiful shiny finish.	5L, 25L
Window Cleaner		Pellox Window Cleaner is specially formulated to clean windows and other hard surfaces in the household and other buildings.	5L/ 25L

Our products carry a wide variety of applications to numerous industries around the country and across the borders of South Africa.
